

## Relume Traffic Case Sign LED Light Panels

“Evenly illuminated, 7 year warranty!”

- **Reduce energy consumption** - this 24x30 LED panel only draws an average of 39W. A significant savings over Mercury Vapor bulbs.
- **Reduce maintenance costs and extend the life** - Relume products are warranted for up to 7 years.
- **Plug and play design** - No on-site design of LED placement and spacing. No on-site labor for assembly.
- **Assured evenness of light output** - A minimum of 300 NITS of illumination at the surface of the sign.
- **Patented Silver Circuit Technology** - Advanced, proprietary circuit design for greater thermal efficiency and are totally *Lead Free*.
- **Approved** - All Relume products are NEMA, UL and CSA tested and approved.
- **Retrofit** - Perfect for new build or retro-fit applications.
- **Conformally Coated** - Each panel is hermitically sealed to prevent moisture penetration.
- **Low Voltage** - 80 watt 24 volt power supply provides plenty of additional power and is completely wet rated.
